This is the second contingent of selectees from the Daly City-South San Francisco area. ## RESCUE SIX CHILDREN FROM BLAZING HOUSE

Six small children were saved from death in the blazing inferno of their home, 169 Moltke street, by the quick action of the Daly City Fire department early Sunday morning. The youngsters were lowered one at a time from the second-story windows of their bedrooms.

For nearly twenty minutes the fire remained unreported to the proper sources, although a fire alarm box is located almost directly across the street, Daly City police reported. Valuable time lost by the owner of the home, L. P. Powell, and others in trying to report the blaze by telephone gave the fire a good start.

By the time Daly City firemen received the call, the center of the house was well gutted by the roaring flames, while smoke and fire were belching from doors and windows. Hearing the cries of the children in the rear, Fire Chief Andrew P. Chesney ordered their rescue before any other measures were taken.

With both stairways blocked by the flames, it was necessary for Captain A. Benassini of Company No. 6 and the crew under his direction to get the children out through the windows, while Chief Chesney directed two 2½-inch streams from Company No. 3 and 6 apparatus. Ranging in age from 3 to 13 years, the youngsters had been asleep when the fire was discovered shortly after 7 a. m.

Company No. 1 also responded and assisted in the fire-fighting. Within a few moments after the

## Ten Pupils Win Honors At Graduation

Six citizenship and four scholarship awards were made at the graduation exercises of the Jefferson district grammar schools. The announcement of the winners, traditionally a surprise, was a highlight of the program at the high school auditorium, Friday evening.

Adam Shinazy, commander of Daly City Post No. 410, American Legion, presented medals to the boy and girl in each school who had been selected by teachers and classmates as best representing those qualities which make for good citizenship. At Woodrow Wilson school the honored pupils were John Foreman and Isabel Schioldager; at Jefferson, Alma Simonetti and Lawrence Wilmot; at Crocker, George Cordellos and Irene Getchell.

Daly City Unit 410, American Legion auxiliary, represented by Mrs. Vivian Pahlka, president, gave Alma Simonetti, Jefferson graduate, the coveted award for highest scholarship in the entire district.

Other scholarship awards were made by the PTA units for highest place in each of the three schools: Crocker, Franklin Petiti; Jefferson, Eleanor DeMattei (second place but first award since Alma Simonetti, Jefferson's first, won the district honors), and Woodrow Wilson, Frances Mjehovich.

## Business, Civic Leaders Hold Meeting Tonight

This evening Daly City business men and women, city officials, civic leaders will gather at Villa Mateo, Junipero Serra boulevard and school street, to discuss the organization of a local service club and plan a booster program for 1941.

Robert Keely, committee chairman, sent out letters and invitations to the dinner, Monday, and according to reservations already made it is expected that about fifty will attend the affair this evening.

"Everyone who is interested in community service is invited," Keely said today. "The more who attend the meeting, the bigger and better program we plan."

## Council Clears Routine Matters

Daly City's board of councilmen disposed of a number of routine matters at a short session in the city hall, Monday evening.

An ordinance re-zoning the corner of School and Bruno streets as a commercial district was passed unanimously.

Installation of a fire box at the corner of Hillside boulevard and Gambetta street was authorized in accordance with recommendations made by Fire Chief Andrew P. Chesney and Assistant Fire Chief Arthur J. Bodien. Bodien explained that the water supply in that district was sufficient under present conditions, although additional hydrants should be installed when the upper section of Hillside is laid out.

Councilman Henry Sundermann, chairman of the light committee, offered a motion for the installation of an additional light on an existing pole at 8 Vendome street. The motion was passed.

Sundermann reported that a complete plan for additional lighting of Mission street and San Jose avenue would be ready for the council's consideration. The plan will embrace several changes found advisable during an extensive survey covering the past four

## He Can Take It!

Daniel Alvarez, 2862 Twenty-third street, is a fellow who can take it! Running to catch a bus early Sunday evening, Alvarez was struck by an automobile at San Jose avenue and Mission street.

The force of the impact was sufficient to bend the fender and break the headlight on the car—but Alvarez emerged apparently unhurt, Daly City police report.

He was rushed to the Villa hospital by Daly City ambulance, where he was reported to be suffering from minor bruises. Driver of the car was Joseph C. Farumeni, 169 Brompton avenue.

## Meet The Man Behind The Camera

Daly City is having its picture taken—and the man behind the camera is Dale A. Hovey, veteran photographer and staff member of the Daly City Record.

There was a time when local pictures were as rare as the proverbial hen's teeth, but no more. During the past two years, The

Dale Hovey

Record has constantly increased its use of news and feature pictures. At the moment, emphasis is being given organizations and new families.

Hovey, who began his association with The Record by taking only an occasional news shot, has become more and more interested in the fascinating job of pictorially recording the activities of Daly City. In fact, he has left his former position as photographer in the engineering department of Standard Oil company to go into business here for himself.

"I find my work in Daly City as interesting—maybe more so—than anything I have done before," Hovey explained.

That's a large order of enthusiasm, too, for Hovey has had years of experience in aerial photography and work for police departments, insurance companies and lawyers. He was graduated from the U. S. Army Air Corps Technical School of Photography and Aerial Photography in 1928. Several years of free lance work followed and finally the important position with Standard Oil.

Mr. and Mrs. Hovey moved to Daly City in December, 1935. They own their own home at 438 Willets street. Their two children, a boy and a girl, attend Woodrow Wilson school. Hovey is a member of Colma Vista Grande Aerie, No. 1848, F. O. E.

In addition to commercial work, Hovey is equipped to give A-1 service on photography of babies, groups, weddings, parties—of anything Daly City people want. He has a complete plant in his home.

## Flames Snuff Out Life Of Ranch Hand

Roaring flames in a shack near Colma snuffed out a human life at midnight last Tuesday. Patrick Francis Meehan, 65, apparently never awoke to fight the flames which engulfed the shed in which he was sleeping.

When rescuers were finally able to battle their way into the interior of the building, located on the Chris Monsoni ranch on Hillside boulevard near the Serbian cemetery, they found Meehan's charred

## TWENTY-EIGHT LEAVE FOR ARMY SERVICE

### Accident Victim In Critical Condition

Lying unconscious in the hospital since he was struck down by an automobile here two weeks ago, little Patrick Byrnes is still fighting a critical battle for his life.

Although the nine-year-old Daly City schoolboy is described as "holding his own physically," he has not yet regained consciousness nor spoken since the evening of January 14.

The accident occurred at the top of the hill while the child was riding a scooter. The force of the blow from the automobile caused a basal fracture of the skull.

Eleven-year-old Werner Ilgenstein, struck by a car January 11, while riding a bicycle, was allowed to return home from the hospital this week, according to Dr. William C. Lynch, attending physician in both cases.

But even Werner cannot be called too lucky, for he will have to spend the next six months in bed.

## List Of Offenders Longer Than Usual

Judge Wade H. Clay's traffic court was busy this week with an unusually large number of traffic offenders reported.

Carl Severin, Burlingame, forfeited a \$50 bail on a drunken driving charge. For reckless driving, Jack De Martini, 2937 San Jose avenue, was fined \$25.

Speeding cost Arthur F. Domergue, 2001 Villosa street, \$10; Mrs. Minerva J. Chappoline, 2921 Twenty-first avenue, \$7.50; Mrs. Juene Hawkins, San Mateo, \$5; (Continued on Page 7)

### "March of Dimes" Drive

Daly City grammar and high school students are doing their part to make Daly City's "March of Dimes" a success.

Today at the high school a pay assembly will be held at 1 p. m. and all proceeds given to the infantile paralysis fund. The dramatic class, under the direction of Sigfred Hansen, will present a series of skits and monologues. Students appearing on the program

## Do You Like Movies?

Like to go to the Daly City theatre? Yes! Very well, how would you like to win a script book of tickets worth \$1.50 in theater admissions?

Starting February every Daly City Record subscriber is going to have a chance to win a \$1.50 script book. February circulation receipts will carry a serial number. Saturday evening, February 22, stubs will be drawn on the theater stage and script books will be awarded lucky winners. During 1941 The Record will give away fifty script books to subscribers.

For all the local news read the Daly City Record every week!

Twenty-eight young men from this district answered the nation's call to arms yesterday morning.

The second contingent of selectees from the Daly City-South San Francisco area climbed into a waiting bus, furnished by the San Mateo-Burlingame Transit company, promptly at 9 a. m. in front of the local city hall.

Dr. J. C. McGovern, chairman of the draft board, and Fred A. Collins, secretary, delivered the group to the San Francisco induction center at Fourteenth and Mission streets shortly before 10 a. m.

An additional fifty men from this area will probably be called between February 17 and March 14, Dr. McGovern said.

Before the 28 draftees officially entered the discipline of army life, they enjoyed one last social affair Monday evening as honorary guests at a party given them by Old Glory Post and Auxiliary No. 2044, Veterans of Foreign Wars of the United States.

More than three hundred persons gathered at the farewell party at Eagles hall. Brief speeches by Dr. McGovern, master of ceremonies; Commander K. V. Doolin of the post, President Ruth Brulez of the auxiliary and Supervisor Thomas L. Hickey all extended best wishes to the new recruits.

Other distinguished visitors at the send-off included Mayor John J. Fahey, the Daly City board of councilmen, members of the draft board, and various other city officials.

Entertainment by Dante P. Lembi's enthusiastic Cowboy Band, and hot coffee, sandwiches and refreshments served by auxiliary members helped make the party a lively one.

Included in the list of draftees are eight young men from Daly City, two from Colma, thirteen from South San Francisco and five from other communities. They are as follows:

Daly City: Emanuel Morris, 168 Los Olivos avenue; LeRoy Albert Nicholson, 242 Miriam street; Gray William Hughes, 171 Winchester; Albert Edward Scott, 50 (Continued on Page 7)

## Supervisors Plan District "Open House"

Plans for a district "open house week" were discussed at an all-day meeting, Friday in San Jose, of more than thirty WPA Recreation supervisors.

The "open house," tentatively scheduled for May or June, will be put into effect throughout the district, according to Bruce H. Boynton, local Recreation director, who attended the meeting. The district extends from San Luis Obispo to Daly City.

In addition to his job as recreation director for Daly City, Boynton holds the position of recreation supervisor of the Northern part of San Mateo county.

At the meeting, supervisors considered ways and means in their respective communities of caring for the recreational needs of soldiers engaged in the present national defense program.

## EAGLES LEAGUE

### Colma A To Meet Golden Gate A Team

Members of Colma Vista Grande Aerie No. 1848 will cheer their brother Eagles on to victory this coming Monday evening at 115 Jones street, San Francisco, when the local A bowlers will clash with the formidable Golden Gate A quintet.

Although Golden Gate A is now leading the Peninsula Eagles bowling tournament, Colma A is not far behind, ranking third in the league standings and outdistanced only by the two Golden Gate teams.

Colma B will not play this coming Monday. At last Monday's bowling, the B team lost three games to Redwood City, who turned in some sensational playing during the evening.

J. Owens, Redwood player, rolled the highest individual game so far in the league, 236 pins. Ranking next to him is Bolfin of Golden Gate A with 226 pins and Cliff Curry, captain of the Colma A team, with 225 pins. Fred Hanel was high man for the Colma B team with a 446 series and a 170 game, last Monday.

Colma A did not play on Monday night, but automatically retained their third place ranking. League standings are as follows:

|               | W  | L  |
|---------------|----|----|
| Golden Gate A | 21 | 3  |

### Daly City Boys Club Defeats Yellow Cab

Good team work won the game for Daly City Boys club, Friday evening, when they met the Yellow Cab five in a fast basketball bout. Score: 44-19.

Supervising the Jefferson gymnasium during the evening's double-header was the local WPA Recreation department. In the other game, Edwards Wire company defeated Western Pipe and Steel, 21-10.

## FIRE

(Continued from Page 1)

arrival of the department, the fire was under control.

According to reports given to Chief Chesney, a small blaze had been discovered in a davenport bed the night before. Although the tenants apparently thought they had extinguished it, fire in furniture upholstery will frequently smoulder for hours, Chief Chesney said, before it blazes up again. This fact was thought to have been responsible for the fire.

Following Sunday's near-catastrophe, officials once more emphasized the importance of every Daly City resident's knowing the exact location of the fire box nearest to his home.

"Once a fire has started," Chief Chesney said, "there is no time to hunt for a box. The city is well covered with boxes and there is one not far from you. Please learn its location at once and help yourself and your firemen."

"If it should be necessary to give an alarm by telephone, be sure to ask for the Daly City police or fire department," he added. "Otherwise the operator will naturally give you San Francisco headquarters, in which case much valuable time will be lost before help can be summoned."

### Neptune's Racecourse

Omei island, a short distance off the west coast of Ireland, is not an island at all at low tide. Then it is connected with the mainland by a bed of sand packed so hard and smooth that horse and cycle races are frequently held where the sea has rolled only a few hours before.

## BASKETBALL

### Jefferson Loses To Burlingame

Despite a lopsided score, the Jefferson boys proved tougher than the Burlingame thirties and varsity teams had anticipated, Friday. Playing one of the best games of the season, the Indians started out fast and forced the Burlingame panthers to come from behind to take the decision. At the end of the playing times, the scores stood at Burlingame 55, Jeff 37 for the varsity, and 39-23 score for the thirties. This was Jefferson's second league game of the season.

### Varsity

In the varsity division Jefferson really got hot, and had the Burlingame men trailing them by a 13-6 count midway in the first quarter. Sinking everything they threw, Jeff forced the Burlingame men to a time-out to cool down and gather their wits.

At the end of the first half the game stood at 33-21, the Burlingame men had established the lead, and from then on it wasn't threatened.

High point man for the evening was Briseno, who sank seven baskets.

The line-up included:

|                 | fg. | ft. | tp. |
|-----------------|-----|-----|-----|
| John Razzari, f | 6   | 3   | 15  |

| Poddig, c       | 0   | 1   | 1   |

Total 16 5 37

Starting out slow in the first quarter, the Jefferson men gave the Burlingame five the lead. However, the second quarter proved to be a different story all together, as the Indians held the Panthers down with a tight defense. The boys managed to catch almost every play and the Burlingame quintet failed to tally a single point during the second quarter.

At the start of the second half the Burlingame first string got going and scored 8 quick points and again regained the lead. From then on the Jefferson boys weren't

able to overtake their opponents. The line-up included:

|                  | fg. | ft. | tp. |
|------------------|-----|-----|-----|
| Chas. Razzari, f | 1   | 0   | 2   |

| Eakers, g        | 0   | 0   | 0   |

Total 7 9 23

The next game for the Indians will be, Friday, at South San Francisco. Fans are looking for a tough battle, as the Indians and South City boys have been on the war-path for a good many years.

Setting another record in 9:30 division, Merchants league, T. Milo rolled a new high individual series of 610, last Tuesday evening in the Burlingame Bowl.

Standing seventh place in the league, Milo's Butchers showed their mettle by taking two games away from the leading Fisher's Boys.

Fourth place California General Linen Supply took two games from Universal Press.

Curry's Barbers, tied with the Press for second, took two from Model Appliance, and rose to a one-game margin over the Universal quintet.

Explorer Patrol of Boy Scout Troop No. 101 sponsored a dance at Sigmund Sterne Grove on Saturday evening. The affair attracted a large number of older Scouts and their friends from the entire San Francisco Council area.

The local Scouts furnished the orchestra for the party, Scoutmaster Frank Coughlin explained. Explorers are Senior Scouts, and frequently sponsor varied activities of an adult nature.

## Classes

### Class Elections

A new term has rolled around, and the time has come to elect new leaders. The date for election has been definitely set for next Tuesday.

If you plan to run for office—get busy and arrange your little campaign. Remember, all you need is... a grade of C- or above, lots of pep, and a "will" to do things.

### C. S. F.

Today at 3 p. m. the C. S. F. will welcome in their new members at the first regular meeting of the semester.

Another important part of the business meeting will be the election of new officers.

### STUDENT BODY CARDS

John Razzari, new student body president, isn't letting any grass grow under his feet. He started his semester's work out with a bang. The student body cards have been selected, sent to the printers, and now are back ready for sale this week.

Students, you can't afford to be without one. Not only do they admit you to all student affairs at a reduction, but they also show that you are supporting your school one hundred per cent. So, start saving your pennies NOW.

### Entertainment Committee

This week seems to be election week at Jefferson. The entertainment committee will elect several students to become members today. This election is one of the most important of the semester. It is the entertainment committee that plans all of the dances and sees that they are a success. Betty Coen will remain as chairman, as she has done a splendid job in putting over all of the dances the committee presented last term.

The committee already has a dance "on the fire," and the decorations and date of ticket sales will also be discussed.

## Sports

### Varsity

Last Tuesday the Jeff Indians showed what they were made of as they held the Balboa Pirates to a tough battle. After keeping neck and neck for the greater part of the game, the Balboa five got ahead of the Indians by one point.

As the gun sounded the end of the playing time, the Balboa men were the winners of a 17-16 score. The Jefferson team included: F., (John) Razzari; F., Brisenio; C., Ruppert; G., Faulk; G., Lekoff.

Tying for high score were Razzari and Brisenio with three field goals apiece.

Other players were Dyer and Cacci.

New student body officers for the Spring semester at Jefferson Union high school are: front row, left to right: Violet Bullo, secretary; Tillie Castro, yell-leader. Middle row, left to right: Mary Heywood, vice-president; John Razzari, president; Eugenia Rich, treasurer. Back row, left to right: Herb Poddig, judge; Jack Faulk, sergeant-at-arms.

### 130's

Jeff little men also held their own as they came out with 11 points to the Pirates 12.

The boys showed definite improvement in both their team work and ball throwing, as they proved to be no easy conquest.

Tiring much faster than the Jeff men, Balboa called three time-outs to Jeff's one.

The men lined up as follows: F., (Chas.) Razzari; F., McHugh; C., Domecus; G., Huerta; G., Callan.

## Campus Fashions

Just when you might think fashions are becoming a little dull, along comes a costume group that sets up an entirely new trend of thinking, and it is so exciting you can hardly wait to get it into print.

National defense is the theme of the new fashion lines. So get into the spirit, and get a darling sailor outfit. Some of the early Navy fashions are simply luscious with little important looking eagles, insignia and gold stripes here and there to give them a dignified air.

If your heart is in the Army my nomination for the weeks "best ever" is an exquisite corduroy coat. Being definitely on the military side, it is semi-fitted, double-breasted, with brass buttons, and little "do-dads" in gold on the sleeves.

Not only do the jackets, coats and dresses run along this military trend, but shoes, hats and gloves also have been caught in this unique fashion craze.

I spied some darling shoes last week. They look simply "scrumptious" on your feet, and dress up your costumes to a new height of elegance. The shoes are styled along the low-dutch boy heel pump, with the tops lined with little white stars on a red border. The flap is turned down to make a huge buckle on which a miniature flag is sewed. Styled in white and blue, you couldn't wish for anything cuter.

## Soldavini Reports Four New Buicks

Returning Friday from a business session of the Buick zone in San Francisco, M. J. Soldavini of the Belli Motor company announced that this division of General Motors corporation will shortly introduce four new automobiles in a lower price bracket as an addition to the present Series 40 Special Buick line.

Soldavini said he inspected the new cars at the zone meeting and heard factory and zone officials outline aggressive sales plans for the next 60 days covering the announcement of these new models and the early spring campaign on these and Buick's six other lines.

"While details of the new cars are not available yet, I can say that they are the answer to the demand of a mighty big cross section of the country for a Buick built in a more compact size with all the big car engineering and design qualities that characterize the larger Buick cars," he said.

Soldavini said that the new cars will be lower in price and will have performance and economy even bettering the present Series 40 cars and pointed out that they leave more room in the average garage "without disturbing the garden tools" and can be "parked on a dime."

The new cars will be formally announced, February 1, and will be on display at that time, he said.

## Orchids from a Holly Grower

Buick SUPER Sedan, \$1185.\*

ORDINARILY we don't go in for owner-testimonials.

But every now and then, along comes a letter that so perfectly portrays the way Buick owners feel about their cars that we haven't the heart to keep it from you.

Here, for example, we quote from Mr. Ambrose Brownell, English holly grower of Milwaukie, Ore., who wrote to his dealer:

"... When I drove that '41 SUPER out of Flint... and started a circle trip home... I jotted down each gas purchase and mileage to sort of figure my expenses...

"It wasn't long before I got suspicious of something wrong... The gas gauge needle just didn't go down fast enough...

"But, Roy, all the way home it was the same story. The Buick wormed through miles of city traffic... made numberless stops to inquire

directions, purred along in sizzling heat that made my feet feel like two fried eggs, breezed over the Rockies at 9,000 elevation... and finally fairly stole home through the sinuous Columbia Gorge...

"Statistics? Of course: 3,200 miles; 165 gallons... Ethyl gas; 19.51 miles per gallon; gas expense—1<sup>2</sup>/<sub>100</sub>¢ per mile; total out-of-pocket expense—1<sup>28</sup>/<sub>100</sub>¢ per mile.

"... Roy, I'm glad I bought a Buick."

## Tyrone Power, Linda Darnell Star In "Mark Of Zorro" Opening Tomorrow

Through the night rides a masked adventurer . . . the jagged mark of his sword striking terror to every heart but one!

In the most famous and colorful of all screen roles Tyrone Power brings to thrilling life the exploits of the celebrated bandit in his latest starring picture for 20th Century-Fox, "The Mark of Zorro," which opens tomorrow at the Daly City theatre.

Boasting the most spectacular action and sword play the screen has seen in many a moon, Power's role is crammed with hard-riding, furious fighting, ardent romance and high-lighted by an unforgettable realistic duel with Basil Rathbone. And according to all reports Power scores the greatest triumph of his career.

Featured with Rathbone at the head of the brilliant supporting cast is lovely Linda Darnell as the fairest senorita in Old California, who gives her love to Zorro. Spectacularly filmed "The Mark of Zorro" also features Gale Sondergaard, Eugene Pallette, J. Edward Bromberg, Montagu Love, Janet Beecher, Robert Lowrey and Chris-Pin Martin.

According to advance reports Director Rouben Mamoulian has captured all the danger, beauty, romance and thrills of Old California's most exciting days in "The Mark of Zorro." Against this exciting background is set the vivid romance between Power and Linda Darnell, who are together for the third time on the screen.

At great expense 20th Century-Fox reconstructed the colorful Los Angeles of 1820 for "The Mark of Zorro." Location companies were sent into Mexico for background shots of old landmarks and trails in order to insure accuracy, and hundreds of extras were added to the huge cast.

Companion feature will be "Hullabaloo" with Frank Morgan and Virginia Grey.

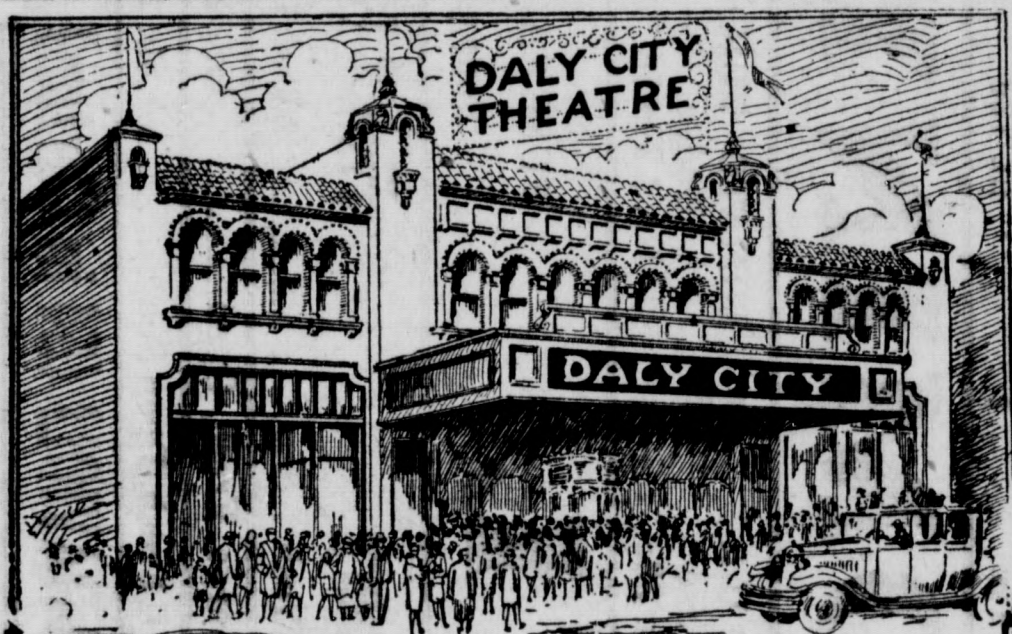

Hailed as his greatest role, Tyrone Power is starred as the great bandit of Old California in "The Mark of Zorro," at the Daly City theatre tomorrow. Shown above with Tyrone are Linda Darnell and Basil Rathbone who head the outstanding cast.

**Netherlands Defensive Flooding**  
If the dykes in the Netherlands are open, defense flooding would damage the farm lands, and necessitate the evacuation of thousands of residents, but the water would not be sea water, it would be fresh water from the rivers, or the old Zuyder Zee, now called IJssel lake. It would do no permanent harm.

## An Old Favorite

By Frances Lee Barton

DESSERTS may come and desserts may go, but some of the old favorites still get more than their share of attention by cooks who demand something delicious as well as nutritious. Of course the recipe has been changed to make the dessert even more delicious than the one grandmother served — but it's still that "old favorite."

### Caramel Tapioca

4 tablespoons quick-cooking tapioca; 4 tablespoons sugar; ½ teaspoon salt; 3 cups boiling water; ¼ cup sugar; ¼ cup boiling water; ½ cup cream, whipped; ½ cup walnut meats, broken; ½ teaspoon vanilla.

Add very slowly ¼ cup boiling water and stir until dissolved; boil 1 minute. Add to tapioca mixture. Chill. Fold in whipped cream, nuts, and vanilla. Serves 6 to 8.

## Mrs. Rose Newman Reported Better

Friends of Mrs. Rose Newman, one of Daly City's earliest settlers after the great fire, report this week that she is recovering at her home, 1395 Golden Gate avenue, from the effects of a recent automobile accident.

The accident happened December 16, when Mrs. Newman was struck by an automobile at Sixteenth and Guerrero streets. In the hospital for six weeks, she has now returned home, but is still under a doctor's care.

The only living charter member of Vista Grande Circle No. 253, Ancient Order of Foresters, Mrs. Newman has many friends in this community who wish her a speedy recovery. Interesting to The Record is the fact that Mrs. Newman's son was one of the first reporters on the Record, working for it when it was still known as The Tattler.

## Sea Scouts Organize 2 Crews

Preparing for the launching of their motor launch, "The Falcon," Sea Scouts of Ship No. 1 organized two eight-man crews at their regular meeting last Wednesday evening.

The port crew includes Clarence Parr, crew leader; Clifford Harr, Ed McIntosh, Fred Waterman, Tom Beeson, Ray Gamba, John Coleman, and Stanley Nelson.

The starboard crew is made up of Don Geddes, crew leader; George Freeman, Heinz Kohlmann, Charles Wolff, Robert Wayman, Edward Melia, Wilmoth Waterman and Robert Duste.

In the absence of Skipper Mel Hansen, Mate Aldo Alberigi took charge of the meeting. He particularly stressed the coming inspection in February, when San Francisco Sea Scout officials will rigidly examine each scout on the basis of his personal appearance and uniform.

Work on the boat, postponed last Sunday because of the rain, was expected to be resumed this week.

Boatswain Lawrence Christiansen explained for the benefit of new members, the various requirements for apprentice and ordinary Sea Scouts.

The two newly-organized crews discussed their plans and projects. Each crew appointed a yeoman to take down the minutes of the crew's meeting, and to forward them to Roland Vergani, keeper of the ship's log.

## Motorized Buckaroos Win Western Gasoline Roundup

While Hopi Indians danced to the rhythm of ancient ceremonial drums on the South Rim of the Grand Canyon in Arizona, winners of the annual Gilmore Economy Run were crowned with ten-gallon Stetsons as symbols of their fuel-saving success in the 1941 "gasoline rodeo." William Martin, left, and Howard Kyser, are seen with the silver class victory trophies they won at the wheels of Studebaker Commander and President 8.

Last week the children had a little pet as an unexpected visitor at the school. A little kitten wandered into the kindergarten, and the children gave it some milk.

After recess they had a discussion about their little visitor, and wrote stories on the care of small kittens.

### FIFTH GRADE

Last week the fifth graders entered upon a hobby that makes rainy day recesses a pleasure. During stormy days the children trade, collect and discuss stamps among themselves. They are learning how to use the stamp catalogue and the meaning of the symbols and pictures on foreign stamps. This hobby teaches the children worthy use of leisure time as well as helping them with their social studies, the instructor pointed out.

### Troop No. 4 To Hold Court Of Awards

A new oxygen mask delivering a mixture of about 50 per cent oxygen with air, to be used by mental workers as a protection against fatigue, was recently described to the American Psychological association by Dr. Arthur B. Gills of Cincinnati.

# STUDEBAKER TRIUMPHS AGAIN

## IN GILMORE-GRAND CANYON RUN

Studebaker's three great cars . . .  
President, Commander and Champion awarded  
two firsts and a second in gas economy test

All Studebakers were equipped with extra-cost overdrive

THIS year, for the fourth straight year, Studebaker has made gas economy history in the famous Gilmore Run.

The Studebaker Champion, which won a first last year, made the remarkable average of 24.61 miles per gallon for the top mileage of Studebaker's sensational trio of cars—all three traveling 599.3 grueling miles at an average speed of better than 42 miles per hour. The Studebaker President and Commander scored firsts in gas economy over all cars in their divisions—upholding Studebaker's decisive dominance in gas economy in those price fields.

See and drive a Studebaker before you decide on any 1941 car. The big, roomy, beautiful Studebaker Champion is the lowest-priced 6-cylinder sedan in America. Easy C.I.T. terms.

## Wholesale Job Hunt To Benefit Draftees

All men entering military service under terms of the Selective Training and Service Act, who are unemployed at the time of entry, will be registered with the California Department of Employment.

This announcement was made today by R. G. Wagenet, director, who said the department will register these men with the object of placing them in gainful occupations after their period of training with the government is completed.

Registrations and interviews as to the draftees' occupation, employment record, and other information to enable the department to find jobs after the year's service has been completed, were under way at Fort MacArthur, in Southern California, and at Fort Ord, where draftees are being inducted into the service.

## Flight Training—

### SIXTH GRADE

It was announced last week that the sixth graders had saved enough pennies to ransom a pagan child. The class chose to adopt a native of the Solomon Islands and have her baptized Agnes Marie.

The EYES

BETTER SIGHT LAMP

It is easier to study when there is enough elbow room for comfort. A student needs plenty of desk space to spread out books and papers. But ease of elbow room is not enough. The eyes must take it easy, too.

There is a Better Light for Better Sight Lamp made just for this situation. The swing-out-swivel-arm lamp takes no desk space and can be pulled up so as to shed its light over the left shoulder.

And because it is a genuine I.E.S. Better Sight Lamp, the eyes see with complete ease.

Now with the school and college semesters beginning, the wise parent will see to it that good light is a part of the back-to-school equipment. Remember good light is cheap and sight is priceless.
